

PROFINISHER™

MADE IN AMERICA BY HUTCHINS

3/32" offset

Model 500 ProFinisher™

The ProFinisher Model 500 has a 3/32" offset with a less aggressive sanding action and is perfect for pre & post paint sanding applications. This makes the 500 ideal for all paint shop applications. The 500 is proudly Made In America and offers smooth, low-vibration operation. (Model 500H with 6" velcro pad)

Similar Models: 3500, 3501, & 4500.

3/16" offset

Model 600 ProFinisher™

Intended for use by technicians seeking fast, smooth operation, the 600 is a "Value Added" sander offering American-Made quality at an Import price. The 3/16" offset delivers aggressive material removal with comfortable low vibration operation. Its reliability and performance makes this a top choice among professionals from all sanding industries. (Model 600H with 6" velcro pad)

Similar Models: 3560, 3570 & 4560.

3/32" offset

Model 510 ProFinisher™

Using the 500 ProFinisher™ as a platform, the Model 510 is a Self-Generating Vacuum version of the same tool. Its "Venturi Driven" exhaust creates suction drawing the sanding dust into the *optional* Dust collection bag (1350-4). Packaged with 6" VA hook pad Part No. 762. The 1350-4 Dust collection bag and 5301-2 connector are not included with the tool and sold separately. **Similar Model: 8650.**

Model 510

3/32" offset

Model 520 ProFinisher™

The 520 ProFinisher™ also uses the Model 500 as its platform. The 520 does not generate vacuum and requires an external vacuum source. Packaged with 6" VA hookkit pad Part No. 762. **Similar Models: 3950 & 4950.**

Model 520

3/16" offset

Model 610 ProFinisher™

Using the more aggressive 600 ProFinisher™ as a platform, the Model 610 is a Self-Generating Vacuum version of the same tool. Its "Venturi Driven" exhaust creates suction drawing the sanding dust into the *optional* Dust collection bag (1350-4). Packaged with 6" VA hook pad Part No. 762. The 1350-4 Dust collection bag and 5301-2 connector are not included with the tool and sold separately. **Similar Models: 8660 & 8970.**

Model 610

3/16" offset

Model 620 ProFinisher™

The 620 ProFinisher™ also uses the Model 600 as its platform. The 620 does not generate vacuum and requires an external vacuum source. Packaged with 6" VA hookkit pad Part No. 762. **Similar Models: 3960, 3970 & 4960.**

Model 620

1350-4
